

# FlexVouchers and Reloadable Gift Cards

## Salary sacrifice schemes that leave you spoilt for choice

FlexVouchers and Reloadable Gift Cards are used by some of the UK's best known employers as part of a salary sacrifice scheme that gives their participants fantastic choice and savings at high street stores.

By committing to purchase a particular voucher or card type from The Voucher Shop's extensive range each month (via a salary deduction) participants can save substantial amounts on their household shopping every month.

### Benefits of FlexVouchers and Reloadable Gift Cards

- Up to 15% savings at high street retailers
- Minimal administration
- Security & reliability
- Professional unbiased advice on voucher selection
- Delivery options - home & workplace

### Example saving

If an employee 'flexed' £200 of their net salary, they could receive up to £235 in retail gift vouchers dependant on his choice of retailer.

FlexVoucher and Reloadable Gift Cards savings are available from over 45 High Street brands, including:

The Voucher Shop manage and fulfil all orders, despatching voucher selections directly to the participant within 48 hours and passing on the savings to your employees. Once a Reloadable Gift Card is activated funds are available within 24 hours.
